Report on Online Seminar held at Sree Ayyappa College, Chengannur

An International webinar on "Amazon Web Services" was jointly organised by the Computer Science Association of Sree Ayyappa College and College IQAC on October 19, 2020. In the light of COVID-19, the event was conducted Online via Google-Meet. A Sum of 100 Participants From more than 10 institutes attended the elucidative Programme. 75 Students were from Sree Ayyappa College from Computer Science and Electronics Department while 25 participants attended from other colleges. Considering the Maximum Capacity of Google Meet, The programme was telecasted live on Facebook and Youtube

The event started with a short inauguration. Prof.Sreelekshmi AN Welcomed the distinguished dignitaries and was followed by Inauguration by Dr KC Prakash, Principal of Sree Ayyappa College. In his inaugural speech, he noted that one should keep in pace with the developing technologies and it is the students' responsibility to keep up with the fast-changing world. It was followed and presidential address by Prof. Sobha PK, HOD Computer Science Department. Felicitation by Dr Suresh S, IQAC Convener and Prof. Usha Kumari, HOD, Electronics and The event Marked the official flag-off of the International Webinar Series to be held in the following months.

The participants were espoused by Dr Sreela Sasi, Professor, Computer and Information Science, Gannon University, Pennsylvania, USA. She acquainted them with the goals and objectives of the Workshop. He gave a general awareness of Amazon Web Services and a brief talk on the upcoming "technology boom" and how the next generation data manipulation is likely to be. She gave introduction on AWS and it's pricing as well as it's working. The session was really informative. How Colleges, Universities and other educational institutes, as well as entrepreneurs, can make use of the cloud facilities of AWS, were discussed in the session. An interactive concourse ignited the inquisitiveness of participants. Students expressed their curiosity on AWS certificates and how it can help them academically. They have committed themselves completely to bring about the complete essence of the workshop.

The informative workshop culminated with a vote of thanks proposed by KS Sarika, Student Co-ordinator of CASAC. Feedbacks were collected from the students at the end of the session, while most of them gave excellent feedbacks, some complained about the network issue, and a few suggested improvements on the Conduction of session. Lack of time was pointed out as the drawbacks some said that the PPT of the resource

person was less visible., while effectiveness, Strictly followed Schedule and relevance of the topic were marked as excellence.
