STUDENT SATISFACTION SURVEY(SSS) REPORT
2020-21

Introduction

Quality of any educational institution undergoes a betterment process by Student Satisfaction survey. Student Satisfaction Survey(SSS) regarding teaching learning process plays an important role for improving the quality of education in Higher Education Institution. The IQAC of the college conducts Student Satisfaction Survey(SSS) every year to assess the teaching learning process.

Procedure

A Google form was created as per the guidelines of NAAC and the link was circulated among the students for entering their responses. The form is designed with different sections, first session is to collect the general details of the student and the second is the instruction section . The questionnaire contains 20 different questions regarding different aspects of teaching learning process. Final part is for entering observation/suggestions to improve the overall teaching – learning experience in the institution.

Conclusion

92 responses were received for the academic year 2020-21. Statistical analysis of the responses was done and the data was presented in the IQAC meeting in the presence of all permanent faculty members. It was observed that the responses were fair and good and the report was accepted in the meeting and decided to upload in the college website. The statistical analysis charts are also included in the appendix.
