(GOVT. AIDED COLLEGE AFFILIATED TO THE UNIVERSITY OF KERALA)

NAAC Accredited

Orientation Programme 2021-22

Organized by
IQAC, Sree Ayyappa College

Dates : 10.01.2022 & 12.01.2022

Venue : College Auditorium

Coordinated by

Dr Ananth Kumar R T,
Assistant Professor,
Department of Physics,
Sree Ayyappa College

INTRODUCTION

The two-day orientation program for first-year undergraduate students in our college aims to provide a comprehensive introduction to academic and campus life, fostering a smooth transition into higher education. Through a series of interactive sessions, workshops, and campus tours, the program intends to familiarize students with the college's academic policies, resources, and support services. Additionally, it seeks to create a sense of community and belonging by facilitating interactions between students, faculty, and staff. The orientation program strives to equip students with the necessary information and skills to navigate their academic journey successfully, encouraging a positive and engaging college experience from the outset. Overall, the objective is to empower students with the knowledge and confidence needed to thrive in their academic pursuits and contribute actively to the college community.

Detailed Report

Sree Ayyappa College successfully conducted a comprehensive two-day orientation programme on January 10 and 12, 2022, for the first-year undergraduate students of the 2021 admission batch. The primary objective of this event was to facilitate a smooth transition into college life and familiarize students with the academic and cultural environment of the institution.

Organizing Body

The event was meticulously organized by the Internal Quality Assurance Cell (IQAC), under the able guidance of Dr. Ananth Kumar R T, who served as the coordinator for the programme. Dr. Ananth Kumar R T played a pivotal role in ensuring that the orientation was informative, engaging, and beneficial for the incoming students.

Programme Overview

The orientation programme encompassed various sessions designed to cover different aspects of college life, including academic structures, teaching methodologies, internal evaluation procedures, and extracurricular activities. The venue for these sessions was the college auditorium, providing a conducive environment for learning and interaction.

Key Sessions:

CBCSS and Curriculum:

A detailed overview of the Choice-Based Credit System (CBCSS) and the curriculum for the respective courses was provided. This session aimed to familiarize students with the academic framework they would be navigating throughout their college journey.

Teaching-Learning Methodologies:

Faculty members conducted sessions on effective teaching-learning methodologies, ensuring that students gained insights into the diverse approaches used in the educational process.

3 Tier Architecture of Internal Evaluation:

The Department level Monitoring Committee (DLMC), College level Monitoring Committee (CLMC), and University level Monitoring Committee (ULMC) were explained in detail. This session clarified the internal evaluation processes and the roles of each committee.

Students were introduced to various clubs and committees existing within the college. This session aimed to encourage student participation in extracurricular activities and foster a sense of community within the college.
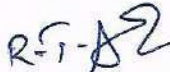

Student Support Programmes:

Information on scholarships, National Service Scheme (NSS), Walk With Scholar (WWS), and Student Support Programmes (SSP), YIP was provided. This session aimed to make students aware of the support systems available to them.

Conclusion: The two-day orientation programme at Sree Ayyappa College proved to be highly successful in achieving its objectives. The incoming students were equipped with essential information about their academic journey, support systems, and opportunities for engagement. The meticulous planning by the IQAC and the guidance of Dr. Ananth Kumar R T ensured the smooth execution of the programme, leaving a positive impact on the new students' college experience. The college looks forward to witnessing the continued success and growth of the 2021 admission batch.
